

“This was a great success; folks are still teary-eyed walking around talking about this event. Thanks again for all the terrific support.”

Back to School

Program Overview

Corporate Teams delivers an engaging, fun, and fast-moving team building program that keeps teams on their toes. Collaboration is key to success! Our master facilitators manage your team through a series of objectives that result in the gift of a backpack full of fun back to school supplies for a child in need.

Strategic Team Challenges

Teams engage in 3-5 intensely collaborative ‘active’ problem-solving challenges that require strategic thinking and effective communications.

Backpack Building

Sounds easy? Guess again! Teams must successfully complete each Strategic Team Challenge to ‘earn’ materials for the backpacks.

Creativity & Packaging

Remember that the ‘best looking package’ is usually selected first! Each team will be supplied with lots of fun decorations and supplies to package the backpack. A customized and heartfelt greeting card designed by the team will inspire your recipient child.

The BIG Surprise!

Participants will think the backpacks are being delivered to the children later after the program. Instead, behind the scenes, the recipient children will be brought to the meeting venue to receive their backpacks. The kids do not know they are getting a back to school backpack and the participants are unaware the kids will be on-site. What happens? Not a dry eye in the house as the two groups are brought together for the BIG surprise!

Ideal Environment:

- Corporate Meetings
- Retreats/Annual Kick-Off Meeting
- National/Regional Meetings
- Team/Corporate Restructuring

Team Size:

10 – 1000

Space Requirements:

Indoors or Outdoors

Timeframe:

1 hour – 3 hours

- Dependent on ‘Types of Collaborative Team Challenges’ Included

Physical Challenge:

Low

What Makes Corporate Teams Your Choice of Provider?

Strategic Team Challenges

Corporate Teams does not use simple trivia or puzzles to keep teams busy. Our challenges are complex problem-solving activities that require full engagement by all team members.

Master Facilitation Team

We provide a ratio of one facilitator to every 4-6 teams to ensure a seamless program delivery start to finish. Each team knows their 'personal facilitator' throughout the entire teambuilding program.

Program Management

There is a lot of work that goes into preparing for this type of program. Corporate Teams handles everything behind the scenes: coordination with the recipient organization; management of logistics with the meeting venue; shipping/tracking of all equipment and supplies. All you have to do is get the team to the meeting space!

Meaningful Teambuilding Experience

Corporate Teams commits to combining a meaningful and relevant teambuilding program with community giving.

Back to School Team Benefits:

- Builds teamwork while giving back to kid's in need within the local community
- Develops team problem-solving skills through a series of experiential, collaborative, fast-paced, and innovative team challenges
- Engages team spirit and builds trust among team members
- Rewards the team for successful teamwork
- Provides team members the opportunity to participate in servant leadership
- Inspires the team to work together and to have fun!
