Operation Gratitude Team Challenge

Program Overview

Move your team into action and make the difference in the life of military members who are deployed overseas. Each year, thousands of military members are sent to distant countries in support of the U.S. Your gift of ‘comfort’ truly makes a difference in the lives of military members!

Energize the team with this hands-on, engaging, creative, and collaborative team building program while giving back to U.S. Military members. Vision and creativity are the keys to success! Our master facilitators lead your team through a series of fast-paced strategic activities that earn teams highly desired and fun supplies. The result is the creation of giant gift boxes full of items such as: personal care, entertainment, and snacks/food. A heartfelt team greeting card will top things off with a message of hope and inspiration to the deployed military recipient.

Strategic Team Challenges

Teams engage in 3-5 intensely collaborative ‘active’ problem-solving challenges that require strategic thinking and effective communications.

Operation Gratitude Team Challenge in Action

Sounds easy? Guess again! Teams must successfully complete each strategic challenge to earn additional supplies for each team’s gift basket of supplies.

Message of Support and Inspiration

Each team will create and design a heartfelt greeting card that provides support and inspiration to the deployed military member. These colorful and heartfelt cards are constant reminders to the military recipients of your on-going support.

Making a Difference

We all want to make a difference and touch the lives of those in need and this program does just that! Thousands of military members are deployed each year. Your gift of special supplies brings lots of smiles and support to the military members who serve our country.

What Makes Corporate Teams Your Choice of Provider?

Strategic Team Challenges

Corporate Teams does not use simple trivia or puzzles to keep teams busy. Our challenges are complex problem-solving activities that require full engagement by all team members.

Master Facilitation Team

We provide a ratio of one facilitator to every 4-6 teams to ensure a seamless program delivery start to finish. Each team knows their 'personal facilitator' throughout the entire teambuilding program.

Program Management

There is a lot of work that goes into preparing for this type of program. Corporate Teams handles everything behind the scenes: coordination with the recipient organization; management of logistics with the meeting venue; shipping/tracking of all equipment and supplies. All you have to do is get the team to the meeting space!

Meaningful Teambuilding Experience

Corporate Teams commits to combining a meaningful and relevant teambuilding program with community giving.
