Retro Roadrunners

Program Overview

Remember those classic pedal cars? The '65 Mustang, '55 Classic Convertible, Retro Fire Engine and Police Car? Well, here's your chance to experience a blast from the past and make a difference in the lives of children in need. A fleet of retro pedal vehicles awaits a roomful of wide eyed kids. Will it be the pink convertible or the classic police cruiser? And won't they be proud cruising the streets in their new ride? The Retro Roadrunners Charity Event is the opportunity for your team to combine a fun and collaborative team building program with the opportunity to give back to the local community. Corporate Teams works with your organization to select the perfect charitable organization and coordinates having kids in need on-site to receive their Retro Roadrunners.

Retro Roadrunners in Action

The group is put into teams of 5 to 6 participants. Each team will be responsible for assembling one Retro Roadrunner. Sounds easy enough but not so quick! Teams compete for building materials, tools, and decorations as they race through a series of collaborative team challenges. A diversity of fast-paced adventure challenges, mind-boggling team twisters, and team development activities tests the best of teams to collaborate and effectively work together.

The Big Surprise

Participants will think their Retro Roadrunners are being delivered to the children later after the program. Instead, behind the scenes, the recipient children will be brought to the meeting venue to receive their cars. The kids do not know they are getting a new pedal car and the participants are unaware the kids will be on-site. What happens? Not a dry eye in the house as the two groups are brought together for the BIG surprise!

What Makes Corporate Teams Your Choice of Provider?

Strategic Team Challenges

Corporate Teams does not use simple trivia or puzzles to keep teams busy. Our challenges are complex problem-solving activities that require full engagement by all team members.

Master Facilitation Team

We provide a ratio of one facilitator to every 4-6 teams to ensure a seamless program delivery start to finish. Each team knows their 'personal facilitator' throughout the entire teambuilding program.

Program Management

There is a lot of work that goes into preparing for this type of program. Corporate Teams handles everything behind the scenes: coordination with the recipient organization; management of logistics with the meeting venue; shipping/tracking of all equipment and supplies. All you have to do is get the team to the meeting space!

Meaningful Teambuilding Experience

Corporate Teams commits to combining a meaningful and relevant teambuilding program with community giving.
