Mission Impossible: Mysteries of Lake Eola & Downtown Orlando

The centerpiece of downtown Orlando is Lake Eola Park with 43 acres of generous sidewalks for strolling and jogging on the mile-long loop around the water. The urban downtown combined with the beautiful lakeside parks comprise a fun and diverse field of play and definitely keep teams on their toes as they attempt to solve Mission Impossible: Mysteries of Lake Eola & Downtown Orlando.

Working undercover, your team Mission is to decipher the codes of up to ten Mission Challenge Locations; determine the Mission Challenge location within the field of play area; solve up to a dozen 'Mission Adventure Challenges' at each Mission Location; and return back to headquarters before time runs out!

Throw in the highly creative Photo Challenge that has teams scanning the periphery in search of the obscure; teams must manage their time effectively to earn the most performance points. Can your team balance the demands of both?

And if that doesn't keep the team busy, how about we include a few mind-twisting adventure challenges that require quick thinking and effective execution under the pressure of time? Managing the many challenges of Mission Impossible: Mysteries of Lake Eola & Downtown Orlando will keep teams on the move, requiring team focus while strategizing on the bigger picture opportunity. Resources are endless – but will team members recognize the possibilities?

Mission Impossible Overview

Kick-Off

Teams gather in a selected location in the Downtown Orlando area. A quick overview of the TEAM Balance Model will provide important clues on how to best approach the challenge and provides the foundation for TEAM success.

Team Briefing

The rules of engagement are revealed and Missions are distributed. It is up to each team on how they want to strategize and set their course of action.

Mission Impossible in Action

Teams head out on foot in search of each Mission Challenge location while managing their Photo Challenges. There are too many Missions to reach during the official timeframe. It is up to each team to determine which locations to target and ultimately earn the most performance points.

Results and Debrief

Teams arrive to Mission Headquarters for final scoring and review of the results. Because of the complexity of the Missions, each team is recognized for unique accomplishments. Of course there is also recognition for the team that has earned the most performance points!

Outcomes & Objectives

- Team members learn what areas of the TEAM Balance Model 'energize' them during the problem-solving process
- Develops team management skills through a series of fast-paced Mission Challenges and Photo Challenges
