

## Do It Yourself Build-A-Skateboard

Experience an engaging, hands-on, and meaningful **COMMUNITY GIVEBACK**. Teams wanting to connect with teammates and make a difference in the local community enjoy the flexibility of the Do It Yourself format.

Team members jump into action strategizing designs and themes that transform boards into works of art. Competition is tough as teams rally to win the honor of Top Designers!

The result? Your donation will get kids outdoors and provide them a nice ride!

### *Your Job Is To Get the Team Ready to Go!*

Corporate Teams provides everything you need: Skateboards, Helmets, Pads, Backpack, tools, materials, and decorations. A blueprint provides step-by-step guidelines on how to move the team into action and have fun!

## Do It Yourself COMMUNITY GIVEBACK

### *Key Takeaways*

- ✓ Builds team engagement while giving back to the community
- ✓ Brings the team together to:  
Communicate – Collaborate – Connect!
- ✓ Provides lasting impact to well-deserving recipients in the local community
- ✓ Engages team members to experience servant leadership
- ✓ Inspires the team to have fun!

“This was an great event! Our team jumped right in creating designs for the boards. The DIY format was easy to follow and provided everything we needed.”

## What Makes *Corporate Teams* Your Choice of Provider?

**Nationwide Leader for Charity Programs**  
Corporate Teams is the **nationwide leading provider** of Charitable / CSR Teambuilding programs.

### Program Management

**Corporate Teams handles everything behind the scenes.** A ready to go package of equipment and supplies is sent to your choice of venue.

Charitable items, tools, supplies, and colorful decorations cap off your generous donation. A blueprint outlines the process start to finish. All you have to do is get the team ready to go!
