Mission Impossible Team Challenge: Mystery in Busch Gardens

Not the Typical Scavenger Hunt!

Intensely strategic, highly collaborative, and mind-expanding, Mission Impossible: Mystery in Busch Gardens keeps the best teams on their toes! Unlike the typical scavenger hunt format that lead teams point to point and focused on technology, Mission Impossible is totally different. Teams are given all their Missions upfront – it is up to each team to determine how they move through the wilds of the Busch Gardens field of play area and which Missions they will attempt to complete. There are too many Missions to complete during the official timeframe – this is intentional. It is not the fastest teams that earn the most points, it is the smartest teams!

Teams use 'whole brain' thinking. There are many working components to the Mission Impossible Challenge that require the team to balance focus with speed of execution. Teams must keep their eyes open to the periphery or miss the opportunity to score points along the way. Multiple ways of accruing points requires teams to manage their strategy efficiently and effectively.
